Residential · Lisbon, Portugal

CLIENT	Private
YEAR	2026
PROGRAMME	Residential
STATUS	In progress

Casa Elo is the rehabilitation of a five-storey modernist house in Restelo, Lisbon, with architecture and interior design by TEKSTUDIO. Between Luanda and Lisbon, water has always been part of this family's life: first the Atlantic, then the Tagus at Parque das Nações, and now, in Restelo, the river and the ocean are once again part of the view from home. Roots in the Algarve, the family farm and the years spent in Africa add other references: closeness to nature, the warmth of materials and a taste for spaces open to the outdoors.
