

CASA TORRE

Residential · Cascais, Portugal

CLIENT	Enza Properties
YEAR	2019
AREA	450
PROGRAMME	Residential
STATUS	In progress

Set among the pines of Birre, in Cascais, Casa Torre is organized on two levels — one slightly above street level, one slightly below — composed so that the house reads as a single-storey volume. From the street it appears as a closed monolith suspended above the ground, an image immediately deconstructed by its luminous interior.
