

MBB – PUBLIC LIBRARY & TOY'S MUSEUM

Mixed use · Torres Vedras, Portugal

CLIENT	Câmara Municipal de Torres Vedras
YEAR	2016
AREA	6960 m²
PROGRAMME	Mixed use, Educational, Public space
STATUS	Competition

The new Toy Museum and City Library of Torres Vedras is intended to revitalize the historic centre of the city. As a result, a new elevated Green Square arises as building underneath as well as several public paths and green spaces. Our proposal of a new street across the Green Square contributes for the building's integration in the urban grid and insures a straight connection to the street of Celeiros de Santa Maria while framing the castle.
